

We spoke to Leighton Murray from Hanlon Plumbing & Pipe Services about his use of the simPRO to Quickbooks Time integration and how it has helped their company.

Q: What were your processes before using the simPRO to Quickbooks Time integration?

A: We used a time recording app but weren't happy with the functionality.

Q: What made you want to change?

A: We changed to simplify and streamline getting our time recording records and back costings into simPRO.

Q: How did you find SyncEzy?

A: We were recommended SyncEzy and they were professional and proactive, providing great support.

Q: What have been the big wins whilst you have been using the integration?

A: The integration has enabled a cost-effective timekeeping app for back costing into simPRO with good reporting to our payroll.

Q: Lastly, if you were describing the integration and its value when chatting to a friend, how would you describe it?

A: The SyncEzy Quickbooks Time integration with simPRO was a success. SyncEzy understood the software and our required outputs from the outset. I wouldn't hesitate in recommending the SyncEzy team for your integration.

**I WOULDN'T HESITATE IN
RECOMMENDING THE SYNCEZY
TEAM FOR YOUR INTEGRATION.**
