

## Streamlining Payroll with simPRO to Xero Payroll Integration by SyncEzy

In this case study, we will examine the conversation between our Customer Support Manager, Matthew, and Andrea, the Payroll Administrator at Holby Electrical. During their discussion, Andrea shared her positive views on how SyncEzy's simPRO to Xero Payroll integration has helped her company.

We will delve into the details of their conversation to explore the significant benefits that Andrea and her company have enjoyed since implementing SyncEzy's simPRO to Xero Payroll integration.

**Q: What were your processes before using the simPRO to Xero Payroll Integration?**

A: We had to manually enter timesheets based on simPRO schedules, which was a time-consuming and laborious process.

**Q: What made you want to change?**

A: Despite promises of a solution by simPRO, it was not accurate and did not meet our needs.

**Q: How did you find SyncEzy?**

A: We discovered SyncEzy through a recommendation by Modus Operandi in Brisbane.

**Q: What were the big wins when you were using the integration?**

A: The integration eliminated the need for calculations for breaks and overtime, making it quick and easy to run payroll effectively. It has been a life-changing experience for the person responsible for payroll.

**Q: Lastly, if you were describing the integration and its value when chatting to a friend, how would you describe it?**

A: It has been a perfect fit for our needs and has significantly improved our productivity.

Overall, the simPRO to Xero Payroll integration has been a game changer for Holby Electrical, significantly improving the productivity of the person responsible for running payroll. It has proved to be a perfect fit for their needs, and Andrea highly recommends it to any business looking to streamline their payroll process and improve their overall efficiency.

**"SYNCEZY'S SIMPRO TO XERO PAYROLL INTEGRATION IS LIFE-CHANGING FOR ME, AS THE SOLE PERSON IN OUR TEAM THAT CAN RUN PAYROLL. IT MAKES IT MUCH EASIER TO DO REMOTELY AS WELL AS THERE IS NOT SO MUCH BACK AND FORTH LOOKING INTO SIMPRO. IT REALLY IS PERFECT FOR US."**
