"SyncEzy's integration has revolutionized our payroll processes, as shared by Chirag Patel, Msnsger at A44Games. Let's explore Stacie's feedback on the remarkable benefits we've gained from this integration.

Q: What were your processes before using this integration?

A: Multiple non-integrated systems

Q: What made you want to change from your previous processes to the integration with SyncEzy?

A: Having a one-stop-shop for all our HR & payroll needs

Q: What were the big wins while you have been using the integration?

A: Managing Leave Requests directly from HiBob

Q: Lastly, how would you describe the integration and its value when chatting to a friend?

A: Seamless Integration - Leading the integration from our side, I was fortunate to be supported by Ajay Menaria from the SyncEzy team. Ajay consistently went above and beyond,

demonstrating exceptional patience and technical know-how. This integration project was our second attempt, as our initial effort last year was halted due to privacy issues. As a new team member and first-time project lead, I expressed the need to proceed cautiously and prioritize data privacy. Ajay understood this perfectly and meticulously explained every step of the process, ensuring clarity and compliance. His unwavering support and expertise were

instrumental in the project's success. Ajay's genuine offer for ongoing support if needed further underscores his dedication and commitment. I highly recommend this solution to anyone, especially if Ajay is leading the charge.

AFTER IMPLEMENTING THE SYNCEZY INTEGRATION, OUR HR AND PAYROLL PROCESSES BECAME STREAMLINED, WITH EXCEPTIONAL SUPPORT FROM AJAY MENARIA ENSURING DATA PRIVACY AND CLARITY, MAKING THE PROJECT A SUCCESS.
