

SIMPRO XERO Payroll

Connect Simpro to Xero and automate payroll processing by sending Simpro timesheets / Leave and activities directly to Xero for Payroll.

Maintain One accurate Set of Timesheets

Save accurate timesheets in Simpro and use the same data to Pay staff in Xero. Stop maintaining two sets of timesheets, one for payroll and one for Job Sheets.

Keep Job Costs in sync with Payroll costs

Get accurate job profitability numbers in Simpro by paying staff based on Simpro Timesheets. Do not maintain two sets of timesheets.

Speed, Accuracy Service All in one

Process timesheets and do payroll for 50 staff in 10 minutes. All with Different overtime rules, leave and all variations.

Get Staff Incentives in line with the Business

Align the incentives for Tech staff to get accurate timesheets in Simpro by ensuring payroll is done seamlessly from Simpro. Simpro Timesheets = Xero Payroll.

Auto calculate Overtime

Automatically calculate Normal Time, Overtime and Double time based on customizable rules for each profile type.

Auto calculate Breaks

Automatically calculate and apply breaks based on preset rules. Like a 30 Minute break applied on Mon-Fri only for Staff that work more than four hours in the day.
