

We spoke to Britt Vournechis, from MB Refrigeration about their use of the Simpro Employment Hero integration and how it has helped their company.

Q: On a scale of 0 to 10, how likely are you to recommend SyncEzy to your colleague or friend?

A: 10.

Q: What were your processes before using this integration?

A: We used Swag directly for the timesheet.

Q: What made you want to change from your previous processes to the integration with SyncEzy?

A: Moving to Simpro needed a platform to move timesheets into EH payroll.

Q: What were the big wins while you have been using the integration?

A: Our project manager made the process seamless - So easily to solve any teething issues promptly, and was able to explain items in a way that made sense to us as the client. He was receptive to any needs for assistance proactive in making sure test runs were done. One point of contact who made the process so easy.

Q: Lastly, how would you describe the integration and its value when chatting to a friend?
