

We spoke to Joe ERS from E.R. Stuebner about their use of the Procore to SharePoint integration and how it has helped their company.

Q: What were your processes before using this integration?

A: None

Q: What made you want to change from your previous processes to the integration with SyncEzy?

A: First integration tool used between Procore and SharePoint.

Q: What were the big wins while you have been using the integration?

A: Stability.

Q: Lastly, if you were describing the integration and its value when chatting to a friend, how would you describe it?

A: Great tools, great technical support, easy-to-use interface and works well!
