We spoke to Chris Gifford from The Garcia Companies about their use of the Procore to SharePoint integration and how it has helped their company.

Q: What were your processes before using this integration?
A: Physically copying files to SharePoint.

Q: What made you want to change from your previous processes to the integration with SyncEzy?
A: Better work flow.

Q: What were the big wins while you have been using the integration?
A: Ability to access files from SharePoint to Procore.

Q: Lastly, how would you describe the integration and its value when chatting to a friend?
A: Makes managing our files better.
